Mayor's Memo

Hello Everyone. I would like to introduce a new feature of the Township Newsletter called the "Mayor's Memo". I intend to use this space to keep you informed of issues facing our Township, and what your Committee is doing to address them. This month, however, I would like to thank you for the trust you have placed in me, and announce a few changes.

I intend to be available at the Municipal Building between 5 pm and 6 pm, prior to our regular monthly meetings, so please stop by and share your concerns and suggestions. I will attempt to check the Mayor's voicemail (935-1549 ext. 624) at least twice per week. As always, I can also be reached at home.

Due to my work schedule, it may take me a few days to call back, but I will try to return every call.

An agenda is available for the public to review before every committee meeting. We will establish a public comment section at the beginning of our meetings so that the public may comment on issues, before we consider them. Lastly, I hope to have the committee retire to the Judge's Chambers for Closed Sessions so that the public will no longer have to stand around in the lobby while we deliberate. These changes are intended to improve communication between the committee and you, the residents we serve. Thank you, and Happy New Year!

Bob
