17. RETURN OF CONTRACT

Non-performance by the successful bidder, or his failure to execute the contract or meet the performance bond requirements within ten (10) days after the award, may result, at the option of the Township, in his bid security being forfeited to the Township as liquidated damages and not as a penalty.

30. ITEMS NEEDED

One (1) new all wheel drive utility police interceptor.

32. BRAND NAMES

If and wherever in this proposal a brand name, make, name of any manufacturer, or trade name is mentioned, it is for the purpose of establishing a grade or quality of merchandise only. The Township does not wish to rule out other competition and equal brands or makes, and therefore, the phrase "or equivalent" is added. If merchandise other than specified is bid, it is the bidder's responsibility to name such within his bid and to provide information to the Township that may show said item is equivalent.

33. PUBLIC WORKS CONTRACTOR CERTIFICATE

Bidders will be required to provide a copy of their Public Works Contractor Certificate, or at a minimum, provide a copy of their check made payable to the Division of Wage & Hour and completed application for a certificate. Once received, vendor will be required to provide a copy to the Township.

GENERAL SPECIFICATIONS:

It is the intent of this specification to provide for the purchase of one (1) new all wheel drive utility police interceptor complete with options and in accordance with the specifications contained herein. These specifications are not intended to be restrictive to any one particular brand, but are meant to describe a minimum standard or performance required by the Township of Lower Alloways Creek. Failure to respond to the provisions in the specifications will be deemed sufficient reason to reject the bid. It shall be the responsibility of the bidder to provide manufacturers drawings, blueprints and factory literature which includes all of the information contained in the specifications.

The bidder must also include copies of all warranties in accordance with the specifications.

It shall be the bidder's responsibility to carefully examine each item of the specification. Failure to offer a completed bid or failure to respond to each section of the technical specification will cause the proposal to be rejected without review as "non-responsive". All variances, exceptions and/or deviations shall be fully described in the appropriate section. Misrepresentation in responding to the specifications or not stating where an exception occurs will be cause for rejection.

In comparing proposals, consideration will not be confined to price only. The successful bidder will be one whose product is judged to best serve the interests of the Township when price, product, safety, quality and delivery are considered. The Township of Lower Alloways Creek reserves the right to reject any or all bids or any part thereof, and to wave any minor technicalities. A Contract will be awarded to the bidder submitting the lowest responsible bid meeting the requirements of this specification.

EQUIVALENT PRODUCT:

Bids will be accepted for consideration on any make or model that is equal to the all wheel drive utility police interceptor as specified. Decisions of equivalency will be at the sole interpretation of the Township of Lower Alloways Creek. A blanket statement that equipment proposed will meet all requirements will not be sufficient to establish equivalence. Original manufacturer's brochures of the proposed unit are to be submitted with the proposal. All modifications made to the standard production unit described in the manufacturer's brochures must be certified by the manufacturer to have been in prior successful use for more than two years (including the name of users) and submitted with the bid, or the bids will be deemed "non-responsive" and rejected without further review. Bidder must be prepared to demonstrate a unit similar to the one proposed, if requested.

INTERPRETATIONS:

In order to be fair to all bidders, no oral interpretations will be given to any bidder as to the meaning of the specification documents or any part thereof. Every request for such a consideration shall be made in writing to the Purchasing Agent. Based upon such inquiry, the Township may choose to issue an Addendum to the specifications.

DELIVERY:

Upon award of the contract, the successful low bidder must be prepared to deliver the all wheel drive utility police INTERCEPTOR complete with all options installed, owners manuals, shop manuals and all other miscellaneous items described in the specifications to the Township of Lower Alloways Creek Department of Public Works facility located at: 8 Pecks Corner Road, Salem, N.J., 08079 within one hundred and ten (110) days from the date of the Notice to Proceed or by November 8, 2023, whichever is sooner.

Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges,

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

APPENDIX A
AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the _____ of _____, (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. *§12101* et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the *owner shall* expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
