All Township offices will have restricted public access to ensure the well-being of its employees, customers and Township residents. If you need to see someone please use the front door (Flag poles side) and knock or ring the bell inside the foyer, we will then assist you. **Masks** are required when you are inside the building.

The Township strives to continue services in the safest way possible. Thank you for your patience while trying to keep the COVID-19 virus at a minimum.

Please call 856-935-1549 and choose the prompt of the department you wish to reach or email to conduct business with any department. All emails are available here and on the website.

Pickup is at the Hancocks Bridge Fire House  
15 New Street, Hancocks Bridge, NJ

Stormwater / Clean Water NJ TIPS:  
Vehicles & Garage  
Your everyday activities can affect water quality. Help reduce the amount of pollution that flows into our waterways by following the tips below.  
- Take your car to a service center to change oil or antifreeze. If you do change your own oil or antifreeze, do it in a garage, never on the street.  
- Use a self-contained oil pan and recycle the oil properly at a local service center or municipal recycling facility.  
- If you spill hazardous fluids, contain it immediately with rags or cat litter. Clean up the spill and properly dispose of the waste.  
- Check your car for leaks and schedule regular tune-ups. If you find leaks or drips, have your car repaired.  
- Store hazardous materials properly to prevent spills. Store them in the original closed container. 

IS YOUR DOG AND OR CAT REGISTERED AND LICENSED  
$10.00 LATE FEE BEGINS MAY 1, 2020  
Proof of Rabies vaccination required and must not expire before September 30, 2020.  
Dogs $15.00 $12.00 if neutered/ spayed  
Cats $ 5.00 $ 2.00 if neutered/ spayed

- Limit your use of fertilizers and pesticides  
  • Do a soil test to see if you need a fertilizer.  
  • Do not apply fertilizers if heavy rain is predicted.  
  • Look into alternatives for pesticides.  
  • Maintain a small lawn and keep the rest of your property or yard in a natural state with trees and other native vegetation that requires little or no fertilizer.  
  • If you use fertilizers and pesticides, follow the instructions on the label on how to correctly apply it. Make sure you properly store or discard any unused portions.
