Permitted Materials – The following items and materials may be disposed of in this Dumpster

Household waste from private residences;

Bulky waste: Large waste items, such as furniture, mattresses, household goods or toys;

Construction and Demolition waste: Waste building material resulting from construction, remodeling, repair, and demolition operations on houses, and other accessory structures. The following materials may be found in construction and demolition waste: treated and untreated wood scrap; plaster and wallboard; roofing materials; non-asbestos building insulation; plastic scrap; carpets and padding; glass (window and door); and other miscellaneous materials.

Restrictions – The following items may NOT be placed in this Dumpster: TVs or other electronics; major appliances such as refrigerators or stoves; tires; tree stumps, dirt; concrete, asphalt, bricks, blocks and other masonry; corrugated cardboard and miscellaneous paper; ferrous and nonferrous metal; asbestos building insulation; dirt; Chemicals and hazardous materials; recyclables and other non-permissible materials.

Any and all items that are found in the Township’s recycling code must be recycled separately and not disposed of in a roll-off container.

I, the undersigned resident, understand and agree to the terms pursuant to Chapter 153 found on the reverse side of this document and sign same with full knowledge that I will be bound to all of its terms and provisions. In addition I understand that I will be held responsible for any damage caused to the Roll-Off Dumpster while it is in my use (from drop off - to pickup; all dumpsters will be inspected at both incidences) and will not move it or use any forceful method to load the dumpster.

Date

Delivery of Dumpster

It shall be solely be within the discretion of the Superintendent of Public Works or his designee as to when any Dumpster may be provided or delivered. LAC Township can not and does not guarantee the time or date the Dumpster will be delivered. All effort will be made to make such delivers as planned. If the Township can not provide a dumpster on the expected date, you will be notified in a timely manner and be given a new delivery date.

Location of the Dumpster

It shall be solely be within the discretion of the Superintendent of Public Works or his designee as to the location that the Dumpster will be placed. In general the requirements are:

The location must be flat, level, solid ground and capable of holding the Dumpster, the weight of its contents when loaded and the carrying truck.

The location must have enough available area and vertical clearance to be safely unloaded and loaded from the carrying truck.

Use of the Dumpster

The Dumpster shall only be used by the requesting resident. It shall be solely within the discretion of the Superintendent of Public Works or his designee as to what items or materials will be permitted to be disposed of in the Dumpster. All items and materials that will be disposed of in the dumpster may only include materials found listed in the following categories.

Municipal (household): Household waste from private residences; Bulky waste: Large items of waste material, such as furniture; Construction and Demolition waste: Waste building material and rubble resulting from construction, remodeling, repair, and demolition operations on houses, commercial buildings and other structures. The following materials may be found in construction and demolition waste: treated and untreated wood scrap; plaster and wallboard; roofing materials; non-asbestos building insulation; plastic scrap; carpets and padding; glass (window and door); and other miscellaneous materials;

But shall not include other solid waste types such as:

- TVs or other electronics; major appliances such as refrigerators or stoves; tires, tree stumps; concrete, asphalt, bricks, blocks and other masonry; corrugated cardboard and miscellaneous paper; ferrous and nonferrous metal; asbestos building insulation; dirt; certain types of glass; Chemicals; recyclables and other non-permissible materials.

Liability

By signing, the undersigned hereby releases and holds harmless LAC from any and all claims that may arise from services performed by LAC. The undersigned is providing this Release and Waiver of Liability to LAC, so that LAC will provide services to the undersigned as set forth herein. The undersigned understands that this Release forever discharges and holds harmless LAC, its agents, employees and others acting on its behalf, as well as any and all successors and assignees, from any and all liability, claims, whether from injury, illness, death, or property damage and demands of whatever kind or nature, either in law or in equity, which arise or may hereafter arise from the services provided by LAC.

The undersigned understands that by accepting a dumpster on their property, it may pose some potential dangers to themselves and others. While LAC takes all steps it can to maintain safety, the undersigned agrees that they are not relying upon LAC to do so. The undersigned agrees to defend (including reasonable attorneys fees and costs) and indemnify LAC with regard to any liability or claim that the undersigned or third party may have against LAC with respect to any bodily injury, personal injury, illness, death or property damage that may result from services provided by LAC.

The undersigned gives LAC express permission to enter onto their property for purpose of delivering a dumpster for their use.

WASTE & RECYCLING SEPARATION AND COLLECTION Ordinance regarding Roll-off Containers CHAPTER 153-9 – F.

Residents may receive one roll-off container per calendar year, to dispose of Type C10, C13, C13C waste or roofing material at a charge of \$200. For each additional roll-off container requested after the first, there shall be a charge of \$300.00, which shall be paid to the Township before the roll-off container is delivered. Roll-off containers shall be delivered to residents as available and shall remain at the resident's site no longer than 2 (two) weeks.
